Inside SR

Welcome to SR's Wonderful Web!

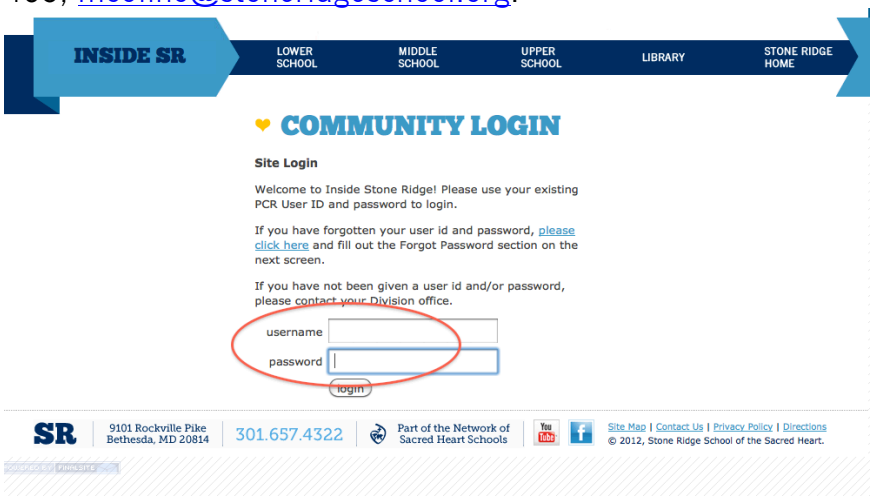
What is Inside Stone Ridge?

Inside Stone Ridge ("*Inside SR*") is the dynamic portal area of the School's website that is available only to the SR community (i.e. parents, faculty & staff, and students).

How to log in?

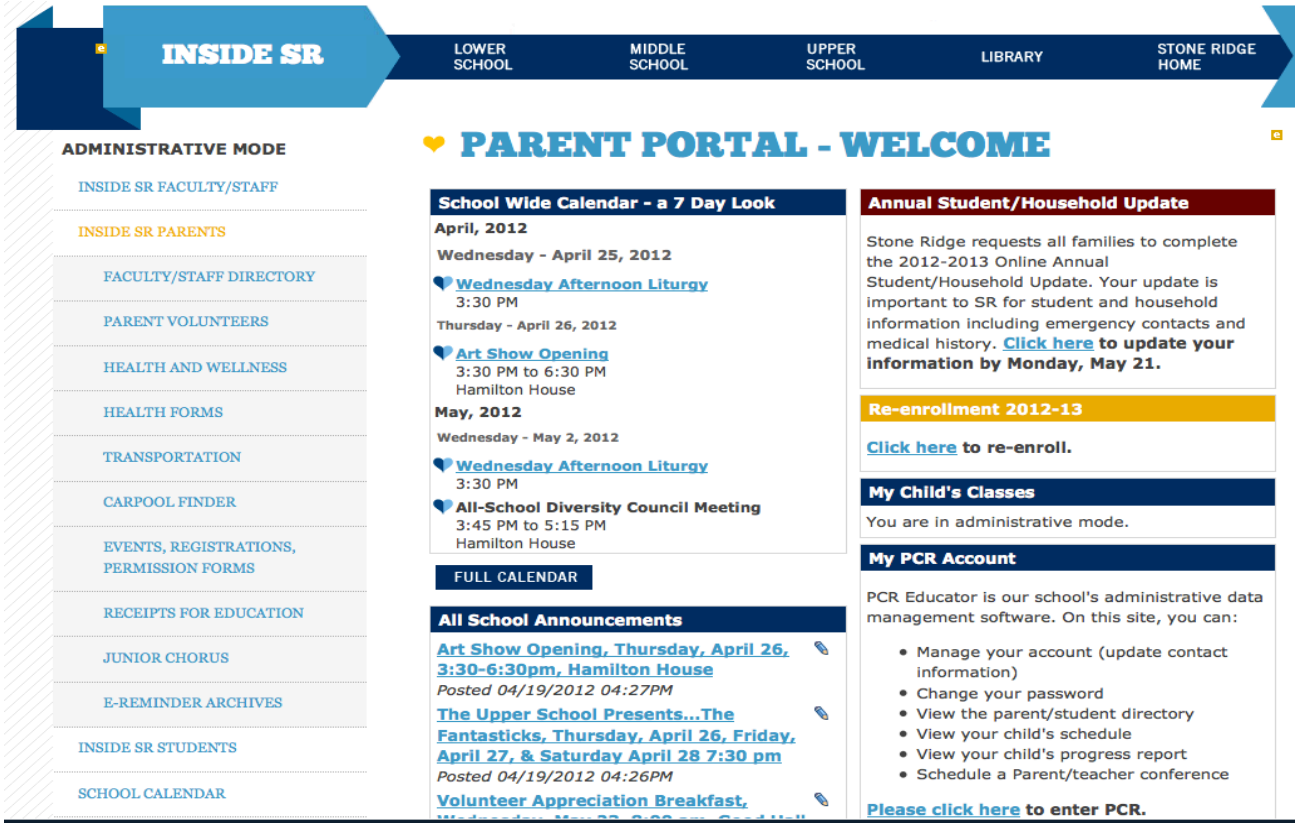
Go to www.stoneridgeschool.org. At the top right, click **Inside SR**.

Use your username and password that you created during your online application process to Stone Ridge. Contact the Registrar if you need assistance: Michelle Cofino, ext. 405, mcofino@stoneridgeschool.org.



Once *Inside SR*, you will be in the Parent Portal. There are many resources on this page and on the left navigation bar, such as:

All School Announcements –activities and events for the entire community
All School News – students, faculty, and Stone Ridge in the news
My Child's Classes (your child's teachers' class pages)
My PCR Account – (database manager for household information, grades, and teacher conference scheduling)
Faculty/Staff Directory
Volunteer Information
Carpool Finder
Events, Registrations, Permission Forms



Each Division has a page link (on the top navigation bar), which leads you to a website for your Division. These pages contain specific calendars, announcements, media, contact information, and various left-navigation pages specific to your division (e.g., Social Action, Guidance and Learning, After School Activities, etc.)

During the school year, announcements are updated weekly on Thursday and Friday. News is posted as it comes in and media is updated approximately every two weeks. Teachers update their teacher pages regularly as well. **We encourage parents to visit *Inside SR* weekly.**

Questions?
Contact E-Communications Manager Patty Lynch at 301-657-4322 ext. 459 or plynch@stoneridgeschool.org.
